

## Social Membership Terms and Conditions

includes any and all signage displayed in the studio.

**FOOTWEAR** - Fully covered footwear must be worn at all times.

**CLEANING** - All members in attendance are responsible for ensuring that the studio is left in a clean and tidy state.

Brooms of any kind are not allowed in this studio. Work surfaces should always be cleaned using a metal scraper and or a damp sponge. Floors should only be cleaned with a damp mop.

**EXTRACTION FAN** - must be switched on when melting wax or using any powdered substance, which must be undertaken on the silver bench under the extraction fan.

**EQUIPMENT** - Wheels, extruders, slab roller or any other equipment can only be used by members who have previously been shown how they operate.

**LABEL YOUR WORK** - All work must be labelled with your initials (or artist signature) and either EW - if you are using earthenware clay and glazes or SW - if you are using stoneware clay and glazes.

Please complete the form in the studio identifying your artist signature at the beginning of each term.

### STORAGE OF WORK FOR FIRING

Please ensure that your work is placed on the correct shelf for firing.

Work **MUST** be labelled correctly and **CLEARLY** (refer to above guidelines)

Work **MUST NOT** be left on a fibro board

Work **MUST** be completely dry.

Work **MUST NOT** have glaze within 2mm of the base for Earthenware

Work **MUST NOT** have glaze within 5mm of the base for Stoneware

Work **MUST** be placed on a white stoneware tile no more than 10mm larger than the base of the work if it is made from BRT or any other clay containing grit

Work **MUST** be placed in a labelled greenware or bisque fired bowl or tray for bisque firing if it consists of multiple numbers of small items. (Eg: Beads, stars, windchime pieces - which do not have to be individually labelled)

Work **MUST** be placed in bisque fired tray, that is no more than 10mm larger than the combined size of the work, for glaze firing if it consists of multiple numbers of small items. (Eg: Beads, stars, windchime pieces - which do not have to be individually labelled)
